Chairman's report distributed electronically on 17.2. 2022 and Treasurer's Report, already circulated electronically on 30.1.22

All in favour

Approved: Hilary Adamson

Seconded: Derek Norman

1.00 Committee Restructuring

- .01. Last year we said au revoir to Alan Harrison as Treasurer. In his stead, David Newman was co-opted to join us as Treasurer
- .02. David stated that the annual subscription would stay at £60.00 for new members but existing members would only have to pay £41.00 since there were enough funds to cover this reduced payment, for the time being.
- .03. Subscription Payment could be made, preferably by BACS, cash or the least preferable by cheque. The details of BACS payment account details can be obtained from David
- .04 The remainder of the Committee have kindly agreed to continue in their roles for which the Chair is grateful

Approved: Hilary Adamson

Seconded: Sue Gage

2.00. **Mask wearing**

- .01. The Chair still feels that those who can should continue to wear masks as a first defence
- .02. Judy Little asked if those who are wearing masks could wear them correctly, i.e over nose and mouth
- .03. Derek Norman wondered whether a time limit could be set to revise the question of mask wearing in say a month's time

3.00. **Membership status**

- .01. The Chair stated that the Club's membership has dwindled. She asked if the remaining members could spread the word and try to find new faces to swell the membership
- .02. Judith Mancktelow has already put a notice in the Minchinhampton magazine and perhaps a further notice could be placed in other local magazines, eg Nailsworth and Tetbury which will need to be actioned

4.00. Bridge evening Tetbury Bridge Club

- .01. Peter Gardiner has received an approach from the Cheltenham New Club, asking if RBC could attend the Club for a one off event, with a team of twelve playing 24 boards on Thursday 28th April. Any interested pair wishing to attend should contact Peter.

Finally a vote of thanks was extended to our Chair, Angela Newman for her hard work and efforts and for her agreeing to remain as Chair. She did however moot that it would be a relief if someone else would do her job!

The meeting ended at 6.45
